

NOVA X1

BEYOND LIMITS

Performance Without Boundaries.

A complete social media design campaign for the launch of the Nova X1 flagship smartphone.

Campaign Objective

Position Nova X1 as a premium flagship smartphone through a cohesive, cinematic visual identity across all major social media surfaces.

The Beyond Limits theme celebrates uncompromising performance — from a 200MP AI camera and 7000mAh battery to a 144Hz 2K AMOLED display and the latest Snapdragon Flagship Processor, framed in a titanium body.

TARGET AUDIENCE

- Tech Enthusiasts
- Young Professionals
- Mobile Gamers
- Photography Lovers
- Content Creators
- Premium Buyers

Motion Graphics Video

A 13-second cinematic reveal built in Remotion (React + frame-based animation).
Delivered as a 1920×1080 MP4 — see Nova_X1_Motion.mp4.

01 NOVA LOGO REVEAL

Wordmark builds from particles against midnight black.

02 SILHOUETTE EMERGES

Phone outline rises from darkness with rim lighting.

03 CAMERA MACRO

Close-up of the camera module — lenses bloom blue & purple.

04 FEATURE HIGHLIGHTS

200MP / 144Hz / 7000mAh / 120W stats stagger in with kinetic type.

05 HERO + SLOGAN

Final lockup: Nova X1 — Beyond Limits. Launching 15.09.2026.

Conclusion

The Beyond Limits campaign delivers a unified visual language for the Nova X1 launch — from teaser to pre-order — using a disciplined midnight palette with electric blue and neon purple accents, cinematic product photography, and bold modern typography.

Six social assets and a motion graphics reveal work as a single system across platforms, positioning Nova X1 alongside the world's leading flagship smartphone campaigns ahead of its 15 September 2026 launch, starting at Rs. 59,999.
